

Posting Date: March 7, 2017

Position: Accountant

Department: Accounting

Summary: D.G. Yuengling & Son, Inc. is looking for a staff accountant to join the administrative team at America's Oldest Brewery. Based in Pottsville, PA, this person will primarily be responsible for freight invoicing, processing distributor payments via EFT, month-end excise tax and statutory reporting, and preparation of company KPIs/metrics. The role will also support the accounting department in other areas including journal entries, account reconciliations, physical inventories, costing, financial analysis, ad-hoc reporting, accounts payable processing and various clerical responsibilities within the office. Ideal candidates should have 1-3 years prior experience with a Bachelor's degree in accounting and must be a team player. Strong interpersonal skills with attention to detail, discretion, accuracy, and follow through is required as well as a demonstrated ability to prioritize, manage multiple tasks, and meet deadlines. Candidates should possess solid computer skills and be proficient with Microsoft Word, Excel, and ERP system software. All interested applicants should send a resume and salary requirements to jobs@yuengling.com.
